

Trek Part

Trek Part - TREK Cleaning Machines is a maker of cleaning machines. Jim Hartsock, Chris Knowlton and Bob O'Hara, TREK's founders, have more than 60 years of experience effectively marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to providing new design concepts and top quality to be able to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They enjoy providing items which energize both their partners and their dealers and provide production gains to their customers.

The TREK team of staff likes new challenges and new tasks. They are extremely proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' needs and skills combined with their knowledge of cleaning applications, together with owners' strong desire to considerably lower cost through productivity gains.

The workers at TREK and their dealer-partners are really dedicated to having both parts and technical support accessible when it is required. Their high service commitment is amongst the core values in their customer service. Keeping their customers' cleaning machines running and ready on a daily basis is top priority. The company's top of the line technology delivers reliable machinery which eventually lowers your cost of cleaning. The product, the price and the service all work together to make them an industry leader.
