

American Lincoln Parts

American Lincoln Part - The American Lincoln division is currently linked with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are known in the business as durable and strong machines that satisfies all the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their production facilities in Springdale Arkansas. These kinds of scrubbers are available in the market under the brand name "Encore". American Lincoln has the ability to provide equipment, parts and warranty service for these scrubbers that carry both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for various facility supervisors where efficiency and results make a difference. Recently, this particular floor scrubber model has been used by the architects in various construction jobs like for example Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this sweeper scrubber on location due to the model's excellent quality and supreme performance level for polishing concrete.
